Calling All Trans / Gender Diverse Friendly Providers

One of the most challenging things that members of the Trans / Gender Diverse community face is in finding service providers in the fields of medicine, mental health, surgery, and health & beauty. This makes an already difficult process more strenuous.

We are asking for your help to solve this problem. Trans*Ponder has created a central repository on our website for providers to submit themselves as allies to the Trans and Gender Diverse community so that its members can find services in safe spaces. To register please visit our website at <https://transponder.community/> and click the "Submit A Provider" button on our homepage.

Trans*Ponder is a grassroots, completely transgender founded and led non-profit based in Eugene, Oregon. It provides support, education, and advocacy for the Trans / Gender Diverse community and its allies.
